Call Charges

Calculating Your Bill

The customer's bill is calculated in the following way:

- All broadband and/or voice installation and connection fees are payable up-front.
- All rental fees are payable one month in advance. This will appear on the customer's first bill as it will include the month the customer joined plus the next month of the customer contract.

Point of payment for the different parts of a package is as follows:

Fee Type

Fee Type	Point that fee is billed
Installation and Connection	All installation and connection fees will be payable up-front
Rental	This may appear more on your first bill as it will include the month you joined plus the next month of your contract
Calls	The call charges incurred during your monthly bill period will appear on the following month's bill

Call Limit

New customers will be asked to agree to a maximum monthly call expenditure (see terms and conditions for details). If the call level is reached before the normal monthly bill is due to be sent out, seethelight will contact the customer to agree an appropriate remedy.

In some instances seethelight may ask for a deposit if the customer has no account history.

Special Offers

From time-to-time seethelight will introduce special offers. The prices of the special offer may vary from those stated in this tariff guide. Please visit www.seethelight.co.uk for our latest offers.

Time Bands

Seethelight define the terms "daytime", "evening" and "weekend" as follows:

Daytime	Monday to Friday, 7am to 7pm
Evening	Monday to Friday, before 7am and after 7pm
Weekend	Midnight Friday to midnight Sunday

Call Connection Fee

A call connection fee of 5p will be applied to all calls or as stated by your call package, except for:

- Fixed fee calls (including fixed fee directory enquiry calls)
- Calls charged by time duration that start with a fixed fee (including some directory enquiry calls)

Calls from seethelight customers to other seethelight customers are free of charge for up to an hour.

Call Charge Rounding

The cost of a call is calculated by adding the pence per minute charge to the call connection fee; the total is rounded up to the next penny and VAT is applied to the total.

Duration Rounding

Calls are rounded up to the next whole minute.

For example, to call a 01 national geographic number outside of any call packages at peak times for 3 and half minutes, it would be calculated as: $5p \times 4 \text{ minutes} + 5p \text{ connection fee} = 25p$

Free Calls

Calls from seethelight customers to other seethelight customers are free of charge for up-to an hour, call rates are charged at pence per minute rate after one hour.

- **Service charge:** this is the rest of the call charge. The organisation you are calling will tell you how much it is.
- **Total charge:** Adding together the access charge and service charge will give you the total cost of the call.
- In addition, in some circumstances you will be charged a one off call connection charge. This charge is dependent on the number you are calling. This can be seen in the table below.
- *All charge codes with an * do not start charging you until 61 seconds.

These charges and non E-billing charges can be found on page 4 under the 'Other Charges' section.

Cash:	You can take your bill to any bank and pay by cash. Some banks may charge you for this, but if you use Barclays it's FREE.
Cheque:	You can pay by cheque. Just fill in the payment slip and post it to us.

Late Payment Fee

Should your monthly payment be late, dishonoured, or it fails, a fee of £6.25 + VAT will be added to your account.

Cancellation Charges

Termination of Service

Termination of the service before the end of the contract period will incur a compensation charge to seethelight. The charge for early termination is a monthly rate of £4 for data products and £6.67 for voice products.

For example, if you decide to end your voice contract on 7th September 2016, but you took out the contract on 1st December 2014, you would be required to pay £18.38.

For example...

2 full months of charges (October, November) + $((£6.67 \times 12)/365) \times 23$ (days left in September)
= £13.34 + £5.04 = £18.38 total

Product/Package	Monthly early termination charge (£)

Broadband and voice package	£10.67
